

## Ingredients.

- **Vitamin B6** is required for the production of hemoglobin, which carries oxygen to body tissues. B6 can also bind steroid hormone receptors and decrease their effects on estrogen, testosterone and progesterone which can be positive for preventing abnormal prostate cells.
- **Magnesium** has long been considered a miracle mineral for its healing effects and abilities to rejuvenate the aging body. For men, magnesium is beneficial for the maintenance of muscles and nerves as well as for problems of the prostate gland.
- **Zinc** levels, needed to maintain a healthy prostate, tends to decrease when prostate problems, such as BPH are present.
- **ZMA®** a synergistic combination of zinc and magnesium for the support of healthy immune, reproductive and neuromuscular function.
- **Eleuthero** helps to provide a natural energy boost to the body. It's properties can help the user deal with stress as well as aid in maintain healthy prostate glands and hormone balance.
- **Tribulus Terrestris** is an herb also known as the puncture vine, and has been used for centuries in Europe as a treatment for impotence and as a stimulant to help enhance sexual drive and performance.
- **LJ100T Tongkat Ali** or Long Jack is a standardized extract of Eurycoma Longifolia which has been commonly prescribed in Malay and Asli's herbal medicine as a febrifuge and a remedy for intermittent fever (malaria), ulcer, and as a aphrodisiac for men.

## Supplement Facts.

### Andropause Support

Serving Size: 2 VCaps

Servings: 30

	Amount Per Serving	*RDA
Vitamin B-6 (from Pyridoxine HCl)	3.5 mg	175%
Magnesium (from Magnesium Aspartate)	150mg	38%
Zinc (from Zinc L-Monomethionine and Zinc Aspartate)	10 mg	67%
ZMA <sup>®</sup> (Patent Pending complex of Zinc L-Monomethionine, Magnesium/ Zinc Aspartate, and Pyridoxine HCl)	808 mg	*NE
Eleuthero ( <i>Eleutherococcus senticosus</i> )	300 mg	*NE
Tribulus Terrestris Extract (Fruit) (min. 20% Protodioscin)	100 mg	*NE
